

## **Newtowne Manor House Talking Points March 16, 2014**

1. Historians, restoration specialists, archeologists and community members are interested in the project. The Manor House is structurally sound. Recommendations are to make it weather tight.
2. SFX will benefit from the will of Patrick O'Donnell (about \$200,000)
3. Leadership (Fr. Crowley needs to tell the archdiocese)
4. There has been Manor House restoration fund set up.
5. Some research has been done to explore the restorations.
6. The Diocese owns the Manor house.
7. How do we want to use the Manor House? (Historical or functional).
8. We need to organize the endeavor.
9. We need committees (fundraising, planning, and publicity).
10. The parish will have a short term and long term commitment to this project.
